Thank you to all Junior Sailors for your participation in 2019, to the parents for your strong support and providing the resources for your children to be active in this sport, and to the coaches for bringing out the very best in this generation of young sailors. And of course, to David Marcic, our dutiful scorer who works tirelessly to keep track of everyone's performance from the mounds of data generated all season.

It has been my pleasure to serve as your CBYRA Junior Sail Chair for the past 4 years, and its time for me to pass the baton and this honor along for next season. Our new Chairperson

is Dawn Forsberg, and I'm sure you will be hearing from her and your program directors soon about the the fun that awaits you in 2020.

Enjoy your Winter, and I hope to see you out sailing when all our various programs resume on the Bay.
