# Junior Sailors Shine on the Chesapeake

▲ By Michael Wagner, CBYRA Jr. Chair

CBYRA had 598 Opti, Laser, and 420 sailors participate in regattas throughout our region in 2018. We recognized our 2018 High Point award winners on Saturday, January 12 at Severn Sailing Association.

Despite some snow flurries swirling outside, the warmth of our extended junior sailing family always makes for a great day.

Our High Point winners were recognized with an exceptional treat; each received a signed and numbered fine art lithograph created specifically for the occasion by CBYRA sailor and teen artist *Lucy Paskoff*.

Thank you to all junior sailors for your participation in 2018. Our 2019 schedule has been posted on the [cbyrajuniorsailing.org](http://cbyrajuniorsailing.org) website, and I'm sure you will be hearing more from your coaches about the fun that awaits you this coming summer.

A very special thank you to Lucy for sharing her exceptional talent

and kind heart that captures our experiences on the Chesapeake Bay. Lucy's beautiful artwork is

also available on cards that make great gifts, and can be found at [lucypaskoffart.com](http://lucypaskoffart.com).

**A week-long, affordable immersion  
clinic for high school students**

Experience the life of a college sailor at Christopher Newport University and learn how to become a better leader, a better teammate and first at the mark among your competitors. The combination of sailing-focused academic leadership training and physical application is to help high school sailors improve their skills and better understand their strengths so they can achieve personal and team goals.
